

Welcome To Original Parts Group

We've Expanded (Again) Into A New 2-Acre Facility To Better Serve You!

Largest Inventory Anywhere

The first home of the Original Parts Group was located in Anaheim, California and was approximately 1200 square feet. That was over 19 years ago and since then we have moved six times, always going to larger and larger facilities to expand our product line and improve our customer service. Our newest facility is located on over 2 acres (90,000 square feet), making it the largest operation in the United States devoted exclusively to GM A-body parts and accessories. There is over 50,000 square feet under roof, with a further 4,000 square feet under construction. We are located on Bolsa Ave., a main thoroughfare in Huntington Beach, California, directly across the street from the southern California headquarters facility of the Boeing Corporation. With the operational capabilities we have in this enormous new building, we are able to pull, pack, and fill orders for shipping with unparalleled accuracy and speed. We would like to thank you, our loyal customers, for this explosive growth and support through the years. Be assured that we will continue to uphold Original Parts Group's company mission: To offer the finest reproduction and aftermarket parts and accessories for GM A-bodies at the very best prices anywhere. So, we would like to say.... *Thank you very much for shopping at Original Parts Group.*

CALL TOLL FREE

Call Toll Free to place your order at OPG. Simply call 1-800-243-8355. For local or international orders, please call (714) 230-6000.

Order By FAX

FAX 24 HOURS A DAY

You can FAX your order to us 24 hours a day, 7 days a week and always get the fast service you've come to expect at (714) 230-6050.

Order By Mail

Simply fill in the order form(s) in the back of this catalog: enclose your payment of money order, certified check, cashier's check or credit card, and place it in the mail. We also accept personal checks, but the order must be held for 20 days pending check clearance. Minimum mail order purchase is \$20.00.

Minimum Order

When ordering by mail and paying by check, we require a \$20 minimum order. Credit card orders also require a minimum of \$20. If you're purchasing parts in person at OPG, no minimum is required.

Abbreviations Used In This Catalog

- AT/AUTO = Automatic transmission
- BCKT = Bucket seat
- BB = Big-block engine
- CI = Cubic inches
- CPE = Coupe or hardtop without pillar posts
- CONV = Convertible
- CYL = Cylinder (6 or 8)
- DR = Door (as in 2- or 4-doors)
- HP = High-performance
- OM = Original Equipment Manufacturer (usually General Motors)
- PG = Powerglide
- PS = Power steering
- REPRO = Aftermarket reproduction designed to original GM part specification
- RR = Rear
- SB = Small-block engine
- STD = Standard (non-SS or non-high performance)
- TH = Turbo Hydramatic shift transmissions
- 4-SPD = 4-speed transmission
- Left (or LH) = Driver side of vehicle
- Right (or RH) = Passenger side of vehicle

SHOWROOM HOURS:

Monday through Friday 8:00AM to 5:00PM
Saturday 10:00AM to 3:00PM
We're closed on Sunday and Major U.S. Holidays

Restoration and Performance Catalog

Quality Reproductions

At Original Parts Group, we pride ourselves on offering only the highest quality restoration parts and accessories. Our full-time research department ensures that all of our parts meet or exceed original factory specifications for quality and durability. Our company philosophy enables us to offer a "100% SATISFACTION GUARANTEE" policy on all parts.

Telephone Sales & Customer Service Hours

Order desk hours are (Pacific Daylight Time) 7:30AM to 5:00PM Monday through Friday, and on Saturday from 10:00AM to 3:00PM. Our showroom opens daily at 8:00AM and on Saturday at 10:00AM.

We're closed on Sunday and major U.S. Holidays. FAX 24 HOURS A DAY
You can FAX your order to us 24 hours a day, 7 days a week and always get the fast service you've come to expect at (714) 230-6050

Methods Of Payment

All major credit cards, money orders, and cashier's checks are accepted. We also accept any first party, preprinted personal checks. U.S Funds only, please. C.O.D. (Cash On Delivery) orders are also accepted to anywhere in the continental U.S.

Customer Service Representatives

Original Parts Group's customer service representatives are available to answer all your restoration questions and to take orders for merchandise six days a week. Please have your customer number ready (on your catalog above your name) when you call in. Find out how many frequent buyer points you have, what they're worth, and if you have any credit to use. You can easily check on whether your parts and accessories were shipped, the date they were shipped, and an estimate of the date of delivery to your door.

General Information

Credit Cards

You may place your order using VISA, MASTERCARD, AMERICAN EXPRESS, or DISCOVER. When placing your credit card order, be sure to include your name as it appears on the card, the entire card number, the date of expiration, and the security code located on the back of VISA, MasterCard, Discover and the front of American Express. **IMPORTANT:** We must be able to verify the shipping address as the credit card holder's. Minimum credit card purchase is \$20.00.

Money Orders & Cashier's Check

Money orders, cashier's check and certified checks are accepted. On pre-paid mail orders, this is the fastest method of insuring that your order is processed as quickly as possible, usually within 24 hours.

Personal Checks

To use a personal check or business check on pre-paid orders, the name, address, and check number must be pre-printed on the check. Only first party checks will be accepted. All orders paid by personal check are held 20 business days pending check clearance. If you are mailing your order and need the parts in a hurry, we recommend sending a money order, cashier's check, or paying by any of the major credit cards that we accept.

Prices

The prices in this catalog were in effect at the time of printing, and supersede all prices in any previous OPG publication. OPG reserves the right to change prices without notice. Availability of all parts and accessories in this catalog subject to change without notice. OPG reserves the right to discontinue products, services, and accessories without notice.

Back Orders

Many items in our giant inventory move quickly, and rarely are we out of stock on any items for any length of time. Over 90% of all items that are out of stock at the time you place your original order are in within 5 days. We maintain a sophisticated back order tracking system in our computer that automatically ships any items due to you when they become available. Normally, back orders take as little as 5 days to receive, but can take as much as 30 days. For an estimated time of arrival, call our customer service department at 1-800-243-8355.

Sales Tax Information

Orders outside California are exempt from California State Sales Tax at the time of this printing. California residents are required to add sales tax. Due to the periodic unforeseen changes in the California Sales Tax and Federal Interstate Tax System, rates are subject to change. The current California State Sales Tax at the time of this printing is 7-3/4 %.

1970-72 Power Disc Brake Conversion Kits

- Includes line modification kit
- Complete instructions
- Professionally manufactured for OPG

STARTING AT

\$849.95

This is the best way to convert your drum brake or early 4-piston caliper vehicle to later style, easier-to-find, single-piston style calipers and vented rotors. Each kit includes everything you need to completely convert your existing brakes to power discs. The entire spindle assembly is delivered to you setup, bearings packed and ready to be torqued to specs. Also included will be a line modification kit and instructions to guide the installation. Kits with 2" drop spindles are also available. **Deluxe kits** feature cross-drilled rotors and braided stainless steel front hoses.

Each kit includes the following: New rotors, spindles, backing plates, re-manufactured calipers, caliper brackets, OEM-quality pads, OEM-quality pads, dual reservoir master cylinder, cadmium plated booster, proportioning valve, bearings/seals, brake hoses/necessary lines, hardware, detailed instructions, line modification kit

NOTE: This product is DOUBLE OVERSIZED and requires an additional freight charge of \$25.90

Front Disc Brake Kits

\$549.95

Is it finally time to start hauling down that musclecar without a lot of fuss? OPG is proud to offer this easy-to-assemble front disc brake kit, that's also easy on your wallet. The disc brake conversion is probably one of the best modifications you can make to your Monte Carlo. You'll experience vastly improved braking, longer component life span, and a lot less effort required when you step on the brake pedal. Our stock spindle kit is ideal for those who wish to retain their car's stock original ride height. This kit will work with your factory ball joints and tie rod ends, therefore minimizing the modifications needed for installation. This kit will work well with most 14" and 15" wheels. Our drop spindle kit will lower your car 2" from it's factory original ride height. This is done without affecting the car's suspension geometry or travel; perfect for that great lowered look!

Stock kit includes:

Spindles, rotors, calipers, caliper brackets, dust shields, bearings, seals, dust caps, spindle nuts, and brake hoses. NOTE: On certain vehicles, steering arms may need to be drilled out from 7/16" to 1/2" in diameter.

Drop kit includes:

2" drop spindles, rotors, calipers, bearings, seals, dust caps, spindle nuts, and brake hoses.

CH22231	73-77	right	99.95

EradiSpeed Rotors -

Accelerating fast is a good thing. Stopping fast is an even better thing, and that's what these high-performance Baer replacement rotors are all about. Directional vanes inside the rotor bring more cooling air into the rotor for greater heat dissipation, equaling shorter stopping distances. Additional high-performance features include thicker friction surfaces for better heat absorption; a proprietary high friction, high silicone content iron; special machining to ensure parallel rotor surfaces; fully machined outside surfaces and rotors speed balanced, unlike most replacement rotors. For improved braking, install Baer high performance replacement rotors.

EradiSpeed + Rotors -

These rotors are 8 pounds lighter than a stock rotor & will fit with factory Rally wheels. They feature anodized black billet aluminum, CNC-machined centers, NAS (National Aerospace Specification) stainless steel hardware, cross-drilled and slotted rotors with a zinc-washed iron rotor surface. The rotors have more material to absorb more heat and help reduce rotor warping under severe braking conditions. Vanes inside the iron rotor are curved to give you a stronger rotor while delivering more cooling air for more consistent stops with little or no fade.

Steel Power Brake Vacuum Line

INS7022

\$32.95

Made from mild steel this is an exact duplicate of the factory power brake tube. It has the correct bracket mounting to the intake manifold.

DE50027 70 each **32.95**
INS7022 70 alum. intake..... each **32.95**

Russell Speed Bleeders

STARTING AT

\$7.95

Brake bleeding is now a one person job. This revolutionary Russell Speed Bleeder replaces the original bleeder valve in your caliper/wheel cylinder with a spring loaded one-way ball and check valve design. This allows the old fluid and air out, then closes automatically between pumps preventing the old fluid and air from re-entering the brake line. Just position a container to collect the brake fluid, then remove your OEM bleeder screw and replace with the new Speed Bleeder screw. The Speed Bleeder Bag catches your old brake fluid for a no-spill operation. This is an EPA-approved, user friendly product that includes plastic tubing and a 7" x 7" plastic bag with a unique tube connection. It holds approximately 12 ounces.

CH24314 speed bleeder bag. each **7.95**
CH24755 70-74 disc frnt 3/8" - 24..... pair **12.95**
CH24756 70-74 drn frnt & rr 5/16"-24 pair **12.95**

Power Brake Hose Clamp

\$0.95

Correct style clamp for 70-77.

DETPC32 each **0.95**

Brake Hose Retainer Kit

\$4.95

1970-72 Original Brake Line Retainers

\$19.95

Enough retainers in each kit for all applications.

BLC1600 retainers set **19.95**

Chevrolet Bleeder Screw Wrench

\$7.95

This bleeder screw wrench has two ends with two different sizes! 3/8" and 5/16" will work with all that have front ball joint suspension (also works on any rear suspension). Both ends have a special vent hole for fluid seepage. Designed with required length and angle for easy use.

CVT0276 each **7.95**

Parking Brake Release Handle

\$4.95

Replace your broken or missing handle with this authentic handle made of the correct plastic.

A great value!
