

# Welcome To Original Parts Group

## We've Expanded (Again) Into A New 2-Acre Facility To Better Serve You!

**Largest Inventory Anywhere**

The first home of the Original Parts Group was located in Anaheim, California and was approximately 1200 square feet. That was over 19 years ago and since then we have moved six times, always going to larger and larger facilities to expand our product line and improve our customer service. Our newest facility is located on over 2 acres (90,000 square feet), making it the largest operation in the United States devoted exclusively to GM A-body parts and accessories. There is over 50,000 square feet under roof, with a further 4,000 square feet under construction. We are located on Bolsa Ave., a main thoroughfare in Huntington Beach, California, directly across the street from the southern California headquarters facility of the Boeing Corporation. With the operational capabilities we have in this enormous new building, we are able to pull, pack, and fill orders for shipping with unparalleled accuracy and speed. We would like to thank you, our loyal customers, for this explosive growth and support through the years. Be assured that we will continue to uphold Original Parts Group's company mission: To offer the finest reproduction and aftermarket parts and accessories for GM A-bodies at the very best prices anywhere. So, we would like to say.... *Thank you very much for shopping at Original Parts Group.*

## General Information

### **Credit Cards**

You may place your order using VISA, MASTERCARD, AMERICAN EXPRESS, or DISCOVER. When placing your credit card order, be sure to include your name as it appears on the card, the entire card number, the date of expiration, and the security code located on the back of VISA, MasterCard, Discover and the front of American Express. **IMPORTANT:** We must be able to verify the shipping address as the credit card holder's. Minimum credit card purchase is \$20.00.

### **Money Orders & Cashier's Check**

Money orders, cashier's check and certified checks are accepted. On pre-paid mail orders, this is the fastest method of insuring that your order is processed as quickly as possible, usually within 24 hours.

### **Personal Checks**

To use a personal check or business check on pre-paid orders, the name, address, and check number must be pre-printed on the check. Only first party checks will be accepted. All orders paid by personal check are held 20 business days pending check clearance. If you are mailing your order and need the parts in a hurry, we recommend sending a money order, cashier's check, or paying by any of the major credit cards that we accept.

### **Prices**

The prices in this catalog were in effect at the time of printing, and supersede all prices in any previous OPG publication. OPG reserves the right to change prices without notice. Availability of all parts and accessories in this catalog subject to change without notice. OPG reserves the right to discontinue products, services, and accessories without notice.

### **Back Orders**

Many items in our giant inventory move quickly, and rarely are we out of stock on any items for any length of time. Over 90% of all items that are out of stock at the time you place your original order are in within 5 days. We maintain a sophisticated back order tracking system in our computer that automatically ships any items due to you when they become available. Normally, back orders take as little as 5 days to receive, but can take as much as 30 days. For an estimated time of arrival, call our customer service department at 1-800-243-8355.

### **Sales Tax Information**

Orders outside California are exempt from California State Sales Tax at the time of this printing. California residents are required to add sales tax. Due to the periodic unforeseen changes in the California Sales Tax and Federal Interstate Tax System, rates are subject to change. The current California State Sales Tax at the time of this printing is 7-3/4 %.

## "Cool It" Battery Wrap

**NEW!!**

**\$24.95**

Battery wrap is a combination of materials designed to provide the ultimate in protection from heat and vibration that destroys batteries. The black felt material has a proprietary treatment applied to the material that neutralizes acid. The adhesive-backed composite construction material is applied to the acid absorbing material to provide the ultimate battery heat shield. Adhesive-backed heat barrier protects parts and components from conductive and radiant heat. Heat barrier is made up of woven silica with a flexible aluminized finish. The highly reflective surface of the material is capable of withstanding radiant temperatures in excess of 2000 degrees F. **Battery wrap is in a kit that includes an 8" x 12" acid absorbing/neutralizing felt and an 8" x 40" piece of aluminized thermal barrier material.**
