

Welcome To Original Parts Group

We've Expanded (Again) Into A New 2-Acre Facility To Better Serve You!

Largest Inventory Anywhere

The first home of the Original Parts Group was located in Anaheim, California and was approximately 1200 square feet. That was over 19 years ago and since then we have moved six times, always going to larger and larger facilities to expand our product line and improve our customer service. Our newest facility is located on over 2 acres (90,000 square feet), making it the largest operation in the United States devoted exclusively to GM A-body parts and accessories. There is over 50,000 square feet under roof, with a further 4,000 square feet under construction. We are located on Bolsa Ave., a main thoroughfare in Huntington Beach, California, directly across the street from the southern California headquarters facility of the Boeing Corporation. With the operational capabilities we have in this enormous new building, we are able to pull, pack, and fill orders for shipping with unparalleled accuracy and speed. We would like to thank you, our loyal customers, for this explosive growth and support through the years. Be assured that we will continue to uphold Original Parts Group's company mission: To offer the finest reproduction and aftermarket parts and accessories for GM A-bodies at the very best prices anywhere. So, we would like to say.... *Thank you very much for shopping at Original Parts Group.*

CALL TOLL FREE
Call Toll Free to place your order at OPG. Simply call 1-800-243-8355. For local or international orders, please call (714) 230-6000.

Order By FAX

FAX 24 HOURS A DAY
You can FAX your order to us 24 hours a day, 7 days a week and always get the fast service you've come to expect at (714) 230-6050.

Order By Mail

Simply fill in the order form(s) in the back of this catalog: enclose your payment of money order, certified check, cashier's check or credit card, and place it in the mail. We also accept personal checks, but the order must be held for 20 days pending check clearance. Minimum mail order purchase is \$20.00.

Minimum Order

When ordering by mail and paying by check, we require a \$20 minimum order. Credit card orders also require a minimum of \$20. If you're purchasing parts in person at OPG, no minimum is required.

Abbreviations Used In This Catalog

- AT/AUTO = Automatic transmission
- BCKT = Bucket seat
- BB = Big-block engine
- CI = Cubic inches
- CPE = Coupe or hardtop without pillar posts
- CONV = Convertible
- CYL = Cylinder (6 or 8)
- DR = Door (as in 2- or 4-doors)
- HP = High-performance
- OM = Original Equipment Manufacturer (usually General Motors)
- PG = Powerglide
- PS = Power steering
- REPRO = Aftermarket reproduction designed to original GM part specification
- RR = Rear
- SB = Small-block engine
- STD = Standard (non-SS or non-high performance)
- TH = Turbo Hydramatic shift transmissions
- 4-SPD = 4-speed transmission
- Left (or LH) = Driver side of vehicle
- Right (or RH) = Passenger side of vehicle

SHOWROOM HOURS:

Monday through Friday 8:00AM to 5:00PM
Saturday 10:00AM to 3:00PM
We're closed on Sunday and Major U.S. Holidays

Restoration and Performance Catalog

Quality Reproductions

At Original Parts Group, we pride ourselves on offering only the highest quality restoration parts and accessories. Our full-time research department ensures that all of our parts meet or exceed original factory specifications for quality and durability. Our company philosophy enables us to offer a "100% SATISFACTION GUARANTEE" policy on all parts.

Telephone Sales & Customer Service Hours

Order desk hours are (Pacific Daylight Time) 7:30AM to 5:00PM Monday through Friday, and on Saturday from 10:00AM to 3:00PM. Our showroom opens daily at 8:00AM and on Saturday at 10:00AM.

We're closed on Sunday and major U.S. Holidays. FAX 24 HOURS A DAY
You can FAX your order to us 24 hours a day, 7 days a week and always get the fast service you've come to expect at (714) 230-6050

Methods Of Payment

All major credit cards, money orders, and cashier's checks are accepted. We also accept any first party, preprinted personal checks. U.S Funds only, please. C.O.D. (Cash On Delivery) orders are also accepted to anywhere in the continental U.S.

Customer Service Representatives

Original Parts Group's customer service representatives are available to answer all your restoration questions and to take orders for merchandise six days a week. Please have your customer number ready (on your catalog above your name) when you call in. Find out how many frequent buyer points you have, what they're worth, and if you have any credit to use. You can easily check on whether your parts and accessories were shipped, the date they were shipped, and an estimate of the date of delivery to your door.

DISCOUNTS!
SAVE \$\$\$**

ARE YOU PLANNING A MAJOR RESTORATION?

We have the largest selection and the best prices... Why not go one step further and save an additional 5 or 10% on selected items? You can get it all here and take advantage of the best service and selection available anywhere!

▶ If your order is over \$1000.00 and you pre-pay with a **MONEY ORDER** or **CASHIER'S CHECK**, you will receive a **10% DISCOUNT PLUS FREE FREIGHT**. Order must exceed \$1000.00 after discount is applied.

▶ If your order is over \$1000.00 and you pre-pay with a **CREDIT CARD** you will receive a **5% DISCOUNT PLUS FREE FREIGHT**. Order must exceed \$1000.00 after discount is applied.

▶ If your order is over \$500.00 and you pre-pay with a **MONEY ORDER** or **CASHIER'S Check**, you will receive a **5% DISCOUNT**. Order must exceed \$500.00 after discount is applied.

IMPORTANT DISCOUNT QUALIFICATIONS:

To qualify for discount you must absolutely order all parts at one time (no exceptions). Sorry, personal checks do not qualify for discount (certified funds only). C.O.D. orders are not eligible for discounts either.

Special Note:

Volume Discount pricing cannot be used in conjunction with any other special promotions, sales, or discounts! **TRUCK FREIGHT AND OVERSIZED FedEx GROUND ITEMS NOT FREIGHT FREE.**

*See our Ordering and Shipping Information page in the back of this catalog for shipping information, merchandise return policy, and important additional Original Parts Group policies.

General Information

Credit Cards

You may place your order using VISA, MASTERCARD, AMERICAN EXPRESS, or DISCOVER. When placing your credit card order, be sure to include your name as it appears on the card, the entire card number, the date of expiration, and the security code located on the back of VISA, MasterCard, Discover and the front of American Express. **IMPORTANT:** We must be able to verify the shipping address as the credit card holder's. Minimum credit card purchase is \$20.00.

Money Orders & Cashier's Check

Money orders, cashier's check and certified checks are accepted. On pre-paid mail orders, this is the fastest method of insuring that your order is processed as quickly as possible, usually within 24 hours.

Personal Checks

To use a personal check or business check on pre-paid orders, the name, address, and check number must be pre-printed on the check. Only first party checks will be accepted. All orders paid by personal check are held 20 business days pending check clearance. If you are mailing your order and need the parts in a hurry, we recommend sending a money order, cashier's check, or paying by any of the major credit cards that we accept.

Prices

The prices in this catalog were in effect at the time of printing, and supersede all prices in any previous OPG publication. OPG reserves the right to change prices without notice. Availability of all parts and accessories in this catalog subject to change without notice. OPG reserves the right to discontinue products, services, and accessories without notice.

Back Orders

Many items in our giant inventory move quickly, and rarely are we out of stock on any items for any length of time. Over 90% of all items that are out of stock at the time you place your original order are in within 5 days. We maintain a sophisticated back order tracking system in our computer that automatically ships any items due to you when they become available. Normally, back orders take as little as 5 days to receive, but can take as much as 30 days. For an estimated time of arrival, call our customer service department at 1-800-243-8355.

Sales Tax Information

Orders outside California are exempt from California State Sales Tax at the time of this printing. California residents are required to add sales tax. Due to the periodic unforeseen changes in the California Sales Tax and Federal Interstate Tax System, rates are subject to change. The current California State Sales Tax at the time of this printing is 7-3/4 %.

Order Blanks & Shipping Policy in Back of Catalog

NOS

NOS "Cheater" Nitrous System

Pick-up 150-250 horsepower at the touch of a button - Easy-to-install and available for square- and spread-bore carbs

STARTING AT

\$298.95

NEW!

To give you an idea of how powerful the Cheater Nitrous System is, check this out: A '71 SS454 Chevelle went 13.30 @ 99.3 stock to an 11.60 @ 118.7 after installing a Cheater Nitrous System. That's bolt-on power you can feel. This single-stage system comes with a 10-lb. bottle, large nitrous and fuel solenoids, four stages of jets, 1/2"-thick spraybar plate, aircraft-quality supply lines, and all the electrical and hardware for a complete installation. You can also get a dual-stage system for cars that are traction-limited and can't handle all the horsepower at once. There's also a system for dual-quads.

- CH25492 V8 Holley 4-bbl (NOS# 02001NOS)..... KIT **464.95**
- CH25493 V8 Quadrajet/Holley spread-bore (NOS# 02004NOS).. KIT **464.95**
- CH25494 V8 Holley (dual) 4-bbl (NOS# 02010NOS)..... KIT **529.95**
- CH25495 Cheater "Kit" (NOS# 0022NOS)..... KIT **298.95**

NOTE: You must use a fuel pump capable of 5-10 psi flowing 0.1 gallon per hour per hp at 6 psi. Forged pistons are highly recommended. A racing ignition system with adjustable timing has to be used along with a single-plane intake manifold.

NOS Powershot & Super Powershot Nitrous System

The simplest nitrous systems available for V8s'

STARTING AT

\$385.95

NEW!

The Powershot nitrous system uses a thin 1/2"-thick plate inserted between the intake manifold and the carburetor to inject the nitrous and extra fuel into the engine for up to 125 non-adjustable horsepower. This simple-to-install system comes with a 10 lb. bottle, premium nitrous solenoids, aircraft-quality stainless steel hoses, injector plate, and all the other electrical and mounting hardware for a complete installation. An example of the incredible power and performance this system can provide is that of a '68 Chevelle with a 327. Before the Powershot system was installed the car ran 14.3 seconds at 98.1 mph; after the Powershot system was installed it ran a 12.5 seconds at 109.6 mph. That's almost two full seconds in elapsed time reduction and a pickup of over 10 mph in the quarter mile. The Super Powershot system is similar to the Powershot, except it has a Jetpack where you can change the jetting of the system to go from 100 hp to 125 hp to 150 hp. Instant horsepower at the press of a button!

- CH25309 V8 Holley 4-bbl (Powershot) (NOS# 05001NOS)..... KIT **393.95**
- CH25310 V8 Quadrajet 4-bbl (Powershot) (NOS# 05004NOS)..... KIT **385.95**
- CH25498 V8 Holley 4-bbl (Super Powershot) (NOS# 05101NOS)..... KIT **426.95**
- CH25499 V8 Q-Jet/Holley spread-bore (Super Powershot) (NOS# 05104BNOS)..... KIT **429.95**

NOS Big Shot Nitrous System

**World's most powerful
single-stage nitrous system**

Get an additional 200-400 bolt-on horsepower

\$529.95

NEW!

The Big Shot Nitrous System is the most powerful single-stage plate nitrous system available and is designed for competition applications. This system comes complete with a 10 lb. bottle with mounting brackets, a varied supply of powerjets, electrical wiring and connectors, all hardware, nitrous supply lines, and a detailed installation and instruction book. A unique feature is the 1/2"-thick fogging plate with two spraybars that each have 88 holes for the ultimate in atomization of nitrous and fuel. Depending upon the powerjet combination, you can get anywhere from a 200-400 hp boost using the Big Shot Nitrous System. Because this system is designed for competition use, the engine this unit is used on has to have premium engine components, i.e., forged crank and pistons, 4-bolt main block, competition prepped heads, high-quality racing ignition, single-plane intake, etc...

CH25491 Holley 4-bbl (NOS # 02101NOS)..... KIT **529.95**

NOTE: This nitrous system requires a fuel pump capable of producing 5-10 psi flowing at least 0.1 gallons per hp at 6 psi. Only single-plane intake manifolds can be used with a high-quality race ignition w/timing control. Racing gasoline must be used.

NOS "Top Shot" Hidden Nitrous System

**Pump your power up 150 hp with
a hidden nitrous boost**

Concealed under your air cleaner

STARTING AT

\$479.95

NEW!

You don't want anybody to know where your nitrous is? Hide it inside your air cleaner with the NOS Top Shot Hidden Nitrous System. This is the easiest nitrous system to install because all you do is slide the fuel/nitrous module down over your air cleaner stud, hookup the provided supply lines & connect the wiring, drop the air cleaner top on, tighten it, and you're done. This system comes with flare jets which are adjustable from 75-150 horsepower. The system comes with jetting for a 100-150 hp increase and is available with either a 5 or 10 lb. bottle.

CH25489 Holley 4-bbl w/10 lb. bottle (NOS# 05090NOS)..... KIT **479.95**
CH25490 Holley 4-bbl w/5 lb. bottle (NOS# 050905NOS)..... KIT **499.95**

NOS

NOS "Sneaky Pete" Nitrous Kit

Small package, Big power

Gain a tenth of a second without being obvious

\$212.95

This is the ultimate "sneaky" nitrous system with its own 9v power source, only one line for the nitrous to the solenoid, no fuel line or solenoid, and a 10-oz., easy-to-conceal nitrous bottle. The only modification you have to do is to richen up your carburetor jetting over normal to compensate for the added nitrous. A tenth of a second could be the difference between winning and losing at the finish line.

CH24930 all (NOS # 05029NOS)..... KIT 212.95

NOS "Sniper" Nitrous System

\$369.95

This is the kit for the first time nitrous user. The Sniper NOS kit comes complete with all the hardware, valves, solenoids, plates, jets, lines, and hose fittings for an easy, simple-to-install system. It's designed for square-bore or spread-bore Q-jet carb applications. Testing by Chevy High Performance magazine on a 355 cid. small-block showed, when properly jetted, an increase of over 160 hp and more than 190 lbs/ft of torque using the NOS Sniper nitrous system.

CH24931 Holley 4-bbl square-bore (NOS# 07001NOS)..... KIT 369.95
CH24932 Quadrajets 4-bbl square-bore (NOS# 07004NOS)..... KIT 369.95

NOTE: Sniper Nitrous System requires a fuel pump capable of operating at 4.5-7.0 psi with a flow rate of 0.1 gallons per hp. Example: A 350 hp engine requires a fuel pump output of 35 gallons per hour at 6 psi when the Sniper Nitrous System is activated.

NOS Replacement Bottles

STARTING AT

\$194.95

It is always advantageous to have spare nitrous bottles. Never run out of nitrous, you'll always have a full bottle to switch. All bottles are made from aluminum alloy, D.O.T approved, and come with bottle valves.

CH25476 Carbon Fiber (12.5 lb.) (NOS #.....) each 499.95
CH25477 Blue (15 lb.) (NOS # 14750NOS)..... each 264.95
CH25478 Blue (10 lb.) (NOS # 14745NOS)..... each 194.95
CH25479 Polished (10 lb.) (NOS # 14745.....) each 299.95

FAX your order 24 hours at 1-714-230-6050

All orders processed same day as received

NOS Bottle Brackets

NEW!

STARTING AT

\$74.95

Standard brackets are made from steel with black vinyl coating, or nylon. NOS brackets are designed to securely hold your nitrous bottle at the proper angle for maximum flow through the siphon tube.

- CH25480 Billet aluminum for 7" diameter (NOS# 14130NOS)..... pair **179.95**
- CH25481 Standard for 1-1/8" diameter (NOS# 14104NOS)..... pair **74.95**
- CH25482 Quick release for 10 & 15 lb bottle (NOS# 14140NOS).. pair **109.95**
- CH25483 Quick release for Carbon fiber bottle (NOS# 14177NOS) pair **116.95**

NOS Bottle Heater & Blanket

STARTING AT

\$39.95

NEW!

BOTTLE HEATERS - NOS systems are calibrated for optimum performance with a bottle pressure of 900-950 psi. Heater kits are thermostatically controlled to keep the bottle near 85 degrees to provide correct pressure. **BOTTLE BLANKETS** - Insulating the bottle helps maintain pressure by keeping heat in the bottle when it's cold, or heat out when it's hot outside. The blankets are made of a rugged, easily cleaned nylon outer shell with insulating. It's also an excellent "dress-up" accessory and perfect for covering scratched bottles.

- CH25484 bottle heater (10 & 15 lb. bottle) (NOS# 14164NOS) each **114.95**
- CH25485 blanket (10 lb. bottle) (NOS# 14165NOS)..... each **39.95**
- CH25486 blanket (15 lb. bottle) (NOS# 14167NOS)..... each **49.95**

NOS Bottle Nut Wrench

\$14.95

NEW!

Special wrench designed for quick removal of bottle nut adapters on NOS Hi-Flo (standard) & Super Hi-Flo valves without damage. Short handle design prevents over-torquing.

- CH25487 (NOS # 16130NOS)..... each **14.95**

NOS Progressive Nitrous Control System

Time based progressive nitrous control system - See ET improvements of 1/2-second or more

NEW!

\$329.95

NOS' time based progressive nitrous controller starts nitrous flow at any preset level you want and then in a short period of time flows a full 100% of nitrous. A typical progression would be starting off with 25% of nitrous flow so you won't shock and spin the tires coming off the line and then over the next six seconds have the nitrous flow smoothly to 100% for max power and lower ETs. Using the NOS time based progressive nitrous control system, tests have shown ET reductions of 1/2-second or more. The controller is made of billet aluminum anodized black with unique adjustment knobs that lock into place so settings can't accidentally be changed. The NOS Time Based Progressive Nitrous Control System is compatible with most single-stage nitrous systems.

- CH25488 (NOS # 15835BNOS)..... each **329.95**

NOS Octane Booster

Raise your octane and eliminate pinging

STARTING AT

\$6.95

NEW!

Detonation is one of the worst enemies of your engine. If you're running unleaded gasoline in your musclecar engine, using one of the three different versions of NOS Octane Booster will raise your octane numbers by anywhere from 2-7 and will help eliminate knocking and pinging. In dyno tests, NOS Octane Booster was proven to build horsepower and eliminate detonation. Each 12-oz. bottle will treat up to 16 gallons.

- CH25474 Street Formula (2-3 octane boost) (NOS# 12002NOS) each **6.95**
- CH25475 Off-Road Formula (3-5 octane boost) (NOS# 12007NOS) each **8.95**

Edelbrock Nitrous Systems

Edelbrock Performer Nitrous System

All Edelbrock Nitrous Systems are dyno-tested and calibrated to deliver accurate and safe horsepower gains with even distribution to each cylinder. Edelbrock's nitrous calibrations are determined through dyno-testing, not simple mathematical formulas, which do not take into account real-world variables.

High Flow Bottle Valve Included w/ Performer & Performer RPM Systems

- Capable of Handling Up to 300 HP

Heavy-Gauge Steel Bottle Bracket

- Red Powder Coated
- Rubber Insulator Included to Protect the Nitrous Bottle

Heavy-Gauge Siphon Tube

- Heavier Gauge than Other Brands for Less Chance of Breakage

Precision-Machined Stainless Steel Nitrous & Fuel Solenoids

- Flow Matched to the Horsepower Range of Edelbrock Nitrous Systems
- Fully Repairable & Serviceable
- More Durable TEFLON® Plunger
- Precision-Machined Inlet & Outlet Ports for Positive Fitting Seals
- Grommeted Wire Exits on Coil Housings for Maximum Durability
- Powder-Coated Coil Shells for Great Looks & Durability

Pre-Terminated Wiring Harness

- The Hard Part is Already Done for You
- Longer Leads..... No Need to Splice Wires
- Covered Fuse Holder for Better Corrosion Resistance

Stronger Micro-Switch & Solenoid Brackets

- Black Oxide Coated for Superior Corrosion Resistance

Braided Steel Teflon Feed Lines

- Easier to Install than Hard Lines

High-Quality, Powder-Coated Aluminum Nitrous Plates

- Work on Both Dual- or Single-Plane Intakes
- Dual-Plane Manifolds Recommended for Applications Up to 175 Horsepower
- Single-Plane Manifolds Will Work for All Applications from 50-250 HP

\$349.95

Edelbrock Performer Nitrous Systems are for carbureted V8 applications with standard flange or spread-bore carburetors. Three ranges of adjustability provide power increases from 50 to 100 extra horsepower by changing fuel and nitrous jets. A thin spraybar plate fits between your carburetor and intake manifold, making these systems among the easiest to install. Performer Nitrous Systems include a 10-lb. capacity nitrous bottle (shipped empty), nitrous and fuel solenoids, spraybar plate, aircraft-quality steel braided hose, nitrous and gasoline filters, jet selection, aircraft-quality fittings, and all necessary switches, brackets, and hardware for a complete installation.

CH22130	standard flange carb (Edel. # 70001).....	KIT	349.95
CH22131	spread-bore carb (Edel. # 70002).....	KIT	349.95

NOTE: Some engine modifications may be necessary for horsepower levels above 150.

STARTING AT

\$439.95

Edelbrock Performer RPM Nitrous Systems are for carbureted 350 cubic-inch or larger V8 applications with standard flange, spread-bore or 4500 series carburetors. Several ranges of adjustability provide power increases in steps from 100 up to 250 (100 to 175 with #70051) additional horsepower by changing fuel and nitrous jets. A thin spray bar plate fits between your carb and manifold, making these systems among the easiest to install. Performer RPM Nitrous Systems include a 10 lb capacity nitrous bottle (shipped empty), nitrous and fuel solenoids, spraybar plate, aircraft-quality steel braided hose, nitrous and gasoline filters, jet selection, aircraft-quality fittings, and all necessary switches, brackets, and hardware for a complete installation.

CH24222	Standard flange carbs (100-150-175-200-250 HP) (Edel. # 70050)	KIT	443.95
CH24223	Spread-bore carb (100-150-175 HP) (Edel. # 70051)	KIT	439.95

NOTE: Some engine modifications may be necessary for horsepower levels above 150.

Edelbrock Nitrous Accessories

Edelbrock Nitrous Bottles

NEW!!

STARTING AT

\$201.95

Edelbrock nitrous storage bottles are D.O.T.-approved aluminum or carbon fiber. In a variety of sizes to suit your needs. All aluminum bottles are powder-coated silver or polished and come with a CGA-approved valve with a built-in siphon tube. They also include a pre-installed pressure/temperature venting system in case your bottle is overfilled or if pressure increases beyond the maximum safety level. NOTE: All bottles are shipped empty.

CH24193	10 lb (silver) (Edel. # 72300).....	each	201.95
CH24194	10 lb (polished) (Edel. # 72400).....	each	259.95
CH24195	10 lb w/gauge (silver) (Edel. # 72301).....	each	239.95
CH24196	10 lb w/gauge (polished) (Edel. #72401).....	each	289.95
CH24197	15 lb (silver) (Edel. # 72316).....	each	249.95
CH24198	15 lb (polished) (Edel. # 72416).....	each	319.95
CH24199	15 lb w/gauge (silver) (Edel. # 72317).....	each	279.95
CH24201	15 lb w/gauge (polished) (Edel. # 72417).....	each	349.95

Edelbrock Nitrous/Fuel Taper Face Jets

NEW!!

\$6.95

A full compliment of Edelbrock nitrous oxide and fuel taper face jets are available in virtually any size for your power and tuning requirements. To order individual jets, simply add the jet size desired to the number. For example: 73014 is a .014" jet.

73000 each 6.95

Edelbrock Nitrous Tuner Jet Kits

NEW!!

STARTING AT

\$229.95

Edelbrock stainless steel jets are available in tuner kits, packaged in reusable, heavy-duty plastic boxes. These new Tuner Kits include a variety of high-quality stainless steel jets to tune your nitrous system. Keep track of your jet changes on our tuning cards included in the kit.

CH24213	Master (328 jets, 8 ea. of 41 sizes .018" - .120") (Edel. # 73003)....	KIT	617.95
CH24214	Race (216 jets, 8 ea. of 27 sizes .28" - .120") (Edel. # 73004).....	KIT	539.95
CH24215	Street (80 jets, 4 ea. of 20 sizes .014" - .059") (Edel. # 73005)....	KIT	229.95

Edelbrock Nitrous Plate Kits

STARTING AT

\$79.95

NEW!!

Use Edelbrock Nitrous Plate Kits to upgrade existing nitrous systems. New nitrous plate kits include high-quality, powder-coated aluminum nitrous plates, stainless steel jet assortment and stainless steel lines from plate to solenoids. Available for square-bore, spread-bore and 4500 series carburetors, Edelbrock nitrous plates work with either dual or single-plane manifolds.

CH24218	standard flange square-bore carb (50-100 HP) (Edel. # 70011)	KIT	79.95
CH24219	spread-bore (q-jet) carb (50-100 HP) (Edel. # 70012).....	KIT	84.95
CH24220	standard flange square-bore carb (100-250 HP) (Edel. # 70060).	KIT	101.95
CH24221	spread-bore (q-jet) carb (100-250 HP) (Edel. # 70061).....	KIT	103.95

Edelbrock Nitrous/Fuel Jet Kits

NEW!!

STARTING AT

\$17.95

CH24209	Performer Replacement (3 steps) (Edel. # 73001).....	KIT	18.95
CH24210	Performer Spread-Bore Replacement Jet (3 steps) (Edel. # 73009)...	KIT	17.95
CH24211	Performer RPM Replacement (Edel. # 73002).....	KIT	25.95
CH24212	Performer RPM Spread-Bore Replacement (3 steps) (Edel. # 93010).	KIT	17.95

Edelbrock Nitrous Bottle Heater

NEW!!

\$119.95

Consistent bottle pressure (900-950 PSI) is very critical for proper operation of your nitrous system. The Edelbrock nitrous bottle heater thermostatically raises the pressure when necessary by applying heat to the nitrous bottle. Comes with all the necessary electrical hardware.

CH24202	(Edel. # 72700).....	each	119.95
---------	----------------------	------	---------------

Edelbrock Stainless Steel Nitrous Solenoids

NEW!!

STARTING AT

\$79.95

CH24206

Designed for Edelbrock nitrous systems, both styles of solenoids have a very low amp draw. PERFORMER SOLENOIDS: Up to 100 HP with 1/8" inlet and outlet pipe threads. PERFORMER RPM SOLENOIDS: Up to 250 HP with 1/4" inlet and 1/8" outlet pipe threads.

CH24206	Performer solenoid (Edel. # 72000).....	each	79.95
CH24205	Repair kit for Performer solenoid (Edel. # 72200)...	KIT	31.95
CH24207	Performer RPM solenoid (Edel. # 72001).....	each	99.95
CH24208	Repair kit for Performer RPM solenoid (Edel. # 72202)	KIT	31.95

Edelbrock Nitrous Bottle Brackets

NEW!!

\$41.95

Powdercoated red, these brackets are designed for either aluminum or carbon fiber bottles and are not interchangeable. May be used on other 7" diameter nitrous bottles.

CH24192	(Edel. # 72600).....	pair	41.95
---------	----------------------	------	--------------

Edelbrock Nitrous Purge Valve Kit

NEW!!

\$99.95

Keeps the supply of fresh liquid nitrous at the solenoid(s) for instant and repeatable nitrous injection. This purge kit bleeds accumulated nitrous vapor from the supply lines. Includes purge solenoid, activation switch, filter, aircraft-quality fittings and wiring.

CH24203	(Edel. # 72176).....	KIT	99.95
---------	----------------------	-----	--------------

NEW!!

\$166.95

Allows you to open and close the bottle valve from inside the driver's compartment.

CH24191	(Edel. # 72950).....	KIT	166.95
---------	----------------------	-----	---------------
