– Dave Leonard, 2009

A MESSAGE FROM THE PRESIDENT

Dear Fellow Enthusiast,

In these times, it's more important than ever to get the best value for your money. It's also important to have confidence in the company that you are dealing with. The products must deliver excellence at a very competitive price-point, and the service has got to be of the highest caliber.

I believe that we fulfill these ideals better than anyone else in the business. At OPGI, we are geared toward your satisfaction and giving you the very best value. It's been that way from the beginning, and that's what put us on the map over 27 years ago.

Price, service and quality are paramount to the success of your restoration. After 27 years in the business, you can count on us delivering:

- Highest In-Stock ratio

Dave Leonard,
President and Founder

It is our mission to serve you not just during the sale, but afterward too!

Sincerely,

A handwritten signature in black ink, appearing to read "Dave Leonard".

Our seat upholstery is the best...

OPGI sets the standard by manufacturing our seats with the highest grade vinyl, factory produced in the original grains. Each pattern has been duplicated using the latest dielectric tooling techniques.

1964-72 Chevelle/El Camino Seat Upholstery

All pleats in our upholstery are heat-pressed and sealed like the factory originals. Original grain vinyl ('64 Seville, '65-70 Madrid, '71-72 Madrid/elk) is used throughout for that factory fresh smell and feel. Superb quality! Made in the USA! Please call an OPGI representative for available color options for your vehicle.

Many different colors available. Please call one of our sales representatives toll-free at 800-243-8355 with your year, make, model, seat option, and choice of color.

These outstanding OPGI-manufactured reproductions are indistinguishable from the factory originals!

Mirrors, 1964-72 Outside

Now on sale! Each OPG mirror is precisely manufactured the right way in case hardened steel zinc with premium triple-chromed and polished plating. These are the superior reproductions on the market. Each features a beefed-up ball joint to diminish mirror "droop" commonly found in cheaper competitor versions elsewhere. Our mirror bases are also more authentic than most others on the market. Details such as the correct-tooled base beads and mirror ball joint bullets set these far apart from the competition. Why pay more and get less? These are the best!

Better Quality, Better Price!

Starting at just \$42.45, these precision-molded plastic shrouds are priced to move! A quality reproduction by Original Parts Group

FACTORY ORIGINAL PARTS GROUP DIRECT!

Radiator Fan Shrouds

These shrouds are manufactured by OPG and surpass the originals not only in quality and fit, but also competitor shrouds that are advertised as "identical to factory". Why? Because our shrouds feature heavier-duty rib-reinforcements and the shroud walls are slightly beefed-up to provide increased sturdiness and longevity. Visually, they are near identical to the originals and are guaranteed to bolt right up to your existing radiator support with ease. We have sold thousands to satisfied customers over the years. Now at a specially discounted price for this catalog only! Guaranteed best or your money back!
